Friday, September 19, 2008, by Tasha

[Environmentally-minded style site EcoStiletto is launching EcoStiletto Kids this Sunday, September 21 from 11am-4pm at Griffith Party with a party near the merry-go-round. Part of a larger Jane Goodall Peace Day Event, hosted by Pierce and Keely Brosnan, the day will include "formaldehyde-free mommy-and-me manicures courtesy of Recess...sample pack\[s\] from California Baby, O.N.E. Coconut Water and organic cookies by Whole Foods, plus bubbles by Green Works Natural Cleaners!" There will also be music, a fashion show, and a "Parade of Peace Doves." Sounds very different from sleeping late and going to brunch. \[EcoStiletto\]](#)
